## Job Gain Of 400 At General Steel

First Heat Poured In Production Equipment Moved Here From East

(Pictures on Page 15)

An increase of 400 in the employment base of General Steel Industries' Commonweal plant—from 1700 to 2100—has resulted from the consolidation here of foundry operations formerly conducted at Granite City and Edystone, Pa., it was announced at the firm poured the first heat in its relocated production line Friday.

While not involving much new equipment or construction, the consolidation program started last March has required extensive remodeling work at the local plant—including large excavations and the pouring of the entire floor in some foundry buildings.

Not result of the changes is the equipping of the Commonweal plant to produce castings for all types of general industrial use in addition to its continuing role as a manufacturer of railway specialty and military castings.

### Principal Units

Principal units of the industrial castings line are a sand slinger, to form part of the basic molds for castings; pouring pits, where bottom-pour ladles drop molten steel into molds; and heat treating furnaces and quench tanks, where metal stress is eliminated in new castings through heating and cooling.

Also included in the new plant is a 28-foot-wide circular boring mill used to machine finished castings, and a 24-million-watt betatron, which examines castings radiographically to assure interior soundness.

All of these elements of production are familiar to Commonweal workers, but the new types of equipment to be used will make possible the production of different types of castings than have been made here in the past.

Products at Edystone have included high-pressure, high-temperature castings for electric power generating equipment; castings for Navy nuclear submarine; massive castings for the 140-foot radio telescope.

**Brief Shower Ends 30-Day Drought For Quad-Cities**

The Quad-Cities' first rainfall in a month was recorded Saturday morning at a tenth of an inch at the U.S. Army Corps of Engineers' gauge at the Chain of Rocks canal locks.

The early morning shower, accompanied by lightning and thunder, ended a 30-day period of drought, but brought only brief respite as continued warm and sunny weather quickly dried the streets, lawns and fields.

The last measurable rain had fallen on Sept. 12, when 38-inch rainfall was recorded. The then precipitation total is 9.4 inches below the normal for the year.

Rainfall so far this year amounts to 21.6 inches while the normal total at this time is about 20.2 inches.

Chases and deductions, verified later in the day, labeled it as an auto theft and an attempt to drive investigators into a false murder investigation.

Holmes and Watson—or rather, Sheriff Barney Fraudorf and Chief Investigator Louis Bove, man—concluded immediately that no one had been hurt inside the car. There was only a single area of blood on the inside of the left front window, and glass from three 38-caliber bullet holes in the window was scattered over the front seat.

With the hubcaps, floor mats and air filter missing and the carburetor and linkage disconnected, evidence strongly pointed to the auto being stolen, and it was traced to Mr. and Mrs. Thomas T. Morrison at the Lowes and Clark Motel, East Alton.

It had been stolen shortly before daylight and was not discovered to be missing until 9:30 a.m. (Continued on page 13, col. 8)

**Car With Blood, Bullet Holes Was Merely Stolen**

Sherlock Holmes might have enjoyed the challenge confronting the sheriff's office at 9 a.m. Sunday when a blood-stained 1963 auto was noticed by a passerby, Mrs. Clayton Presley and her son, John, 11, of 620 Barkley, Mitchell, near Pong road a mile east of Route 111.

## UF Rocket, Astronauts Ready For Moon Shot

Dal Maxwell Is Speaker For Tomorrow's Banquet; 1964 Quota—\$312.213

The countdown has begun and local astronauts are stepping themselves in the United Fund rocket for the big \$312,213 moon shot.

Blast off is scheduled at 6:30 p.m. tomorrow at a banquet in the YMCA. Astronauts—the enrolled workers in the 1964 campaign—will be joined by their families, the United Fund board of directors and personnel of the 18 participating agencies.

On hand to push the button that will fire the United Fund rocket into space will be St. Louis Cardinals' shortstop Dal Maxwell, the featured speaker.

Maxwell is a native Granite Cityan who starred for the high school baseball team, then went on to Washington University before joining the Cards' system in 1961. He has been with the Cardinals for the past two seasons. Maxwell will be introduced by the present high school baseball coach, Joe Fedina.

**Year's Planning**  
Tomorrow night's official blast off has been in the planning stages since last November. Shortly after a total of \$294,370 or 98.4% of the goal was collected in the 1963 drive.

Heading up this year's drive toward \$312,213 are A. P. Steinhauser, the general chairman, and Joseph Glick, vice-chairman. Others in the top echelon are A. J. Mueller Jr., chairman of publicity and promotion, and William L. Herman, chairman of the fair trade giving promotion.

The seven soliciting divisions with their chairmen and assigned quotas are as follows:

**Industrial Firms**  
Industrial Firm, Frank B. Bareilly, \$125,000; Industrial Employees, Robert Engler, \$120,000; Commercial, Carl E. Mathis, \$33,000; Public Employees, Richard A. Bromley, \$14,000; Municipal, Units, Milton M. Morris, \$11,810; Professional, Leo Konzen, \$7810; and Special Gift and Clubs, Hamer A. Huber, \$2850.

The divisions are divided into sections with the number of workers in each ranging from the chairman alone to many, according to need.

The drive will last three weeks—until the final report at 6:30 p.m. Tuesday, Nov. 5, at the YMCA. Other report meetings will be for noon at the YMCA—will be Oct. 21, Oct. 25 and Oct. 30.

**Everything "A-OK"**  
Chief Astronaut Steinhauser says he wants to see the dark side of the moon—possibly only if the campaign nets more than 100%.

**County Zoning Board Per Diem Pending**

Per diem of \$15 and 10 cents a mile travel allowance for county zoning board of appeals members will be on the agenda for Thursday morning's meeting of the board of supervisors at the court house, Edwardsville.

Anticipated is a report on county tavern hours following a study by the licensing committee. It is not listed on the agenda.

A resolution for investment of county operating funds by the treasurer is to be submitted along with a report on needed smoke stack repair at the county jail, a pending appeal recommendation, a resolution to set salary of civil defense director and requests to seek bids for uniforms for jailers and a new auto for the sheriff.

Reports to be submitted are by the curatrix of the Historical Museum, the county school superintendent, justices of the peace and police magistrates.

## U. S. Air Monitoring Station Will Be Located In Area

Another step in determining the aspects of air pollution in the Illinois-Missouri metropolitan area will be undertaken early next year by the U.S. Public Health Service with the installation of a \$80,000 continuous air monitoring station.

The Interstate Air Pollution Study group announced Saturday the unit will be placed either in St. Louis or in the vicinity of the Quad-Cities or East St. Louis. It will provide data on the levels of seven gases, air pollutants, on the amount of airborne particulates and on weather conditions such as wind, wind, precipitation and sunlight.

**Site Study Under Way**  
The site is to be selected on the basis of meteorological and other studies now in progress.

The air pollution study group began its two-year study of the metropolitan area last January. It is authorized to measure a record atmospheric levels of sulfur dioxide, nitrogen dioxide, nitric oxide, carbon monoxide, total hydrocarbons, total oxidants and ozone.

All are known to be present in the air in this vicinity and are produced by motor vehicles, home and commercial heating systems, electric power plants, industrial operations and refuse burning.

**Young Burglars Caught; Other Thefts In Area**

A young boy was caught during a burglary in Granite City Thursday night and he and another youngster were linked to three break-ins. Ten other burglaries and theft reports were received during the weekend by Quad-City area police and deputies.

Granite City police cleared three recent house burglaries with the arrest of two boys, 14 and 16, one of whom was caught by the owner of a looted home.

Two of the burglaries were at the home of Ralph Watson, 2452 Logan avenue, where a total of \$4 in dimes was taken, and one was at the home of Everett Bivins, 2434 Missouri avenue, who trapped the 16-year-old boy Thursday night after he entered through the back door.

Bivins was sitting in a dark kitchen waiting for such an occurrence. He told police it had happened before. The two boys were referred to Coordinated Youth Services.

**Took \$2000 Taken**  
A tool box containing about \$2000 worth of electrical equipment was stolen from the back seat of an auto owned by Edward Yates, 1837 Bienn avenue, while it was parked Thursday night either at the Dix-Mor Bowl or in front of his home. It was reported to Granite City police at 10:20 a.m. Friday.

The Nelson Construction Co. is building the new post office at 24th street and Madison avenue, told Granite City police at 8:45 a.m. today that thieves ransacked one of the rooms in the new building, scattering tools and stealing two quarter-inch drills. Entry was gained by setting a ladder against a wall and crawling through a hole which is to be screened soon.

**Car Labeled Of Clothing**  
A large quantity of clothing was stolen from the auto of James Bridges, Alton, Okla., while it was parked on a lot at 12th street and Madison avenue about 11 p.m. Friday, Madison police were notified.

Items taken were a suitcase full of baby clothes, three pairs of men's trousers, two men's shirts, a woman's two-piece dress, a brown striped dress, a pair of black slacks, an orange striped blouse and a brown leather handbag containing shaving kit and other articles.

Four hubcaps, a cigarette lighter and one knob from a car radio were taken from an auto owned by O. C. Moore, 2702 Cayuga street, while it was parked Friday on the Granite City Street Co. parking lot at 17th street, it (Continued on page 2, col. 6)

## Another Fatality At Maryville Rd. Crossing

Auto Driven By James Gibson, 39, Smashed By NYC Passenger Train

James E. Gibson, 39, 614921 Carl street, Hills Terrace subdivision, one of four, was killed when his automobile was struck by a fast-moving New York Central Railroad passenger train at about 12:45 p.m. Friday at the unprotected Maryville road crossing. He was pronounced dead at St. Elizabeth Hospital.

The train, bound for St. Louis from Indianapolis, Ind., slammed the car into a ditch between the network of tracks more than 50 feet from the roadway. Mr. Gibson was alone in the car.

In 27 other traffic crashes occurring in and near the Quad-City area over the weekend, 11 persons were injured.

The scene of the fatal crash is a rail crossing where several car wrecks have occurred in recent years. It is off Highway 233 south of Mitchell and has no flashing signals. That led to angry complaints by spectators residing in the fast-growing area who said they were unable to hear about 75% of the train whistles at the crossing.

State police said the engineer was C. F. Lindner of Mattoy, Mo.

**Packing Firm Butcher**  
Mr. Gibson was born at R. A. L. Butcher, a son of Tenn., and lived in the Granite City area 14 years. He was employed as a butcher for the Hunter Packing Co., 2481 N. Louis, for eight years and was a member of the Meatmen's Union and of the Mitchell Presbyterian Church.

He was enroute home about two and a half blocks from his home when the accident occurred. It was the 27th traffic fatality of the year in the Quad-City area. An inquest is pending.

Survivors include his wife, Mary Gibson, four children, Roger Dale, 10, Donna Fay, eight, Glenda Jean, 2 1/2, and Tommy Ray, one, and his mother Mrs. Etta Gibson, Greenfield, Tenn.

Funeral arrangements are listed in the obituary column elsewhere in this issue.

**Venice Boy Hit By Car**  
An eight-year-old Venice boy, Richard Tolliver, son of Mr. and Mrs. Jack Tolliver, 2200 Klein street, was struck by an auto on Broadway at Oriole street at 4:30 p.m. Thursday, suffering a possible kidney injury.

Taken by his father to St. Elizabeth Hospital, the boy was transferred to the St. Louis Children's Hospital for further treatment.

The motorist, Annie Mae Moore, 62 Brooklyn, told Venice police she was driving west on Broadway when the child ran across the street from the south side of Broadway. She stepped the brakes but was unable to avoid him, she added.

Noting skid marks extending 45 feet, police charged her with reckless driving. She was released on a property bond pending a hearing.

(Continued from Page 1.)

treatment at the hospital for a deep cut to his head suffered about 8:45 p.m. Sunday on his auto hit a center divider sign post on a railroad crossing road on Edwardsville road south of 20th street.

Police charged him with careless driving. They said his northbound auto jumped the divider, hitting the "keep right" sign and crossing signal.

**Infant Injured**

Dorothy Lynn Papamarkoff, 18 months old, daughter of Mr. and Mrs. George Papamarkoff, 2550 Madison avenue, bumped her forehead in a traffic accident Sunday afternoon in the 2500 block of Madison avenue.

Police said she was a passenger in the northbound auto of Phyllis Papamarkoff, involved in an accident with the auto of Gary Telbe, 18, of 2520 Madison avenue. He was charged with making an improper right turn.

JoAnne Clark, 17, of 4273 East Lake drive, a passenger in a car driven by Norman Ray Lucas, 21, of 4188 Lake drive, was injured when the auto left the road and struck a utility pole on Lake drive, Pontoon Beach. It was reported to the Madison county sheriff's office at 10 p.m. Sunday.

She was admitted to St. Elizabeth Hospital with ragged lacerations to the forehead and left elbow. He was charged with reckless driving.

**Car Hits Tree, Pole**

Clewis W. Snider, 66, of 3824 Nameoki road, was admitted to St. Elizabeth Hospital after an auto accident at 3 p.m. Friday on North street off of Pontoon.

Granite City police said that his car, after turning left onto North, hit a tree, backed up and proceeded about 100 feet south and then hit a utility pole on the other side of the street. He was charged with careless driving.

He suffered a 2 1/2-inch laceration to the left cheek, a laceration to the lip, an abrasion to the left forearm and rib soreness.

Earl Miller, 59, Granite City insurance agent, was slightly injured in a three-car accident at 3 p.m. Thursday at the entrance of the Fairmount race track on Collinsville road. He was treated by his physician Friday for bruises to the leg. His daughter, Elizabeth Garvey, 24, of St. Louis, was not hurt.

Two other persons also suffered minor injuries and were treated at St. Mary's Hospital, East St. Louis. They are Fred Cummings, 64, of St. Louis, a passenger in a car driven by James Tabler, 51, of Glenview, Mo., and Earl Maloney, 36, of East St. Louis. State police said Miller and Tabler were making left turns at the race track and hit each other.

Mrs. Dorothy Rudwick, 25, of Edwardsville, an assistant recorder in the registrar's office at Southwestern Illinois University, was admitted to St. Elizabeth Hospital Thursday night after her car left the pavement at the new intersection of Highway 157 and Bypass 66 at the bottom of Sunset Hill.

Her small foreign car went into a farm yard, knocked over several fences and struck a tree. Her right knee was injured and

## Mrs. Helen Garin Expires At Hospital

Mrs. Cletus (Helen) Garin, 55, of 3002 Buxton avenue, died at 9 a.m. Saturday at St. Elizabeth Hospital, apparently from complications of injuries suffered in an auto accident in 1954.

Born in Monett, Mo., she lived in Granite City about eight years. She formerly lived in St. Louis.

Survivors include her husband, Cletus Garin, 57, of 3002 Buxton avenue; Mrs. James (Dorothy) McCord, Granite City; and Mrs. Edwin (Joanne) Manning, 57, of 3002 Buxton avenue. She was survived by three sisters, Mrs. Marie Marchese, Benton, Ill.; Mrs. Ruth Oliver, Belknap, Ill.; and Miss Clara Miller, New York; two brothers, James Miller, Iowa, and Jack Miller, Texas; and seven grandchildren.

Funeral services are given in today's obituary section.

## Man Shot In Tavern Charged With Assault

Gerald DeMontaigne, 40, of 2843 Myrtle avenue, was arrested by Granite City police at 10:15 p.m. Sunday at St. Elizabeth Hospital on a charge of aggravated assault.

He was involved in a fracas early last Monday at Millie & Mickey's tavern, 18th and State streets, which he was shot in the groin by Russell Edwards, co-owner of the establishment. DeMontaigne was fired at Edwards with a shotgun and had pointed the gun at the bartender, police said.

## Plant's Moving Plans Protested By Union

Informational picketing by members of International Electrical Workers Local 1102 was being carried on for about 4 1/2 minutes this morning at Emerson Electric Co. plant in St. Louis and the Washington Park.

The picketers are protesting the company's plans to move the production of power tools to a new plant in Tennessee. Such a move would reduce jobs at the St. Louis plant by 200 to 400, according to union officials.

Negotiations between the local union and Emerson officials failed to turn up a suitable St. Louis location for the new plant, including the Emerson town area. Many Quaker Cityans are employed at the plant.

## Released On \$105 Bail

Wallace Cook was arrested by Granite City police at 10:30 a.m. Sunday on a charge of aggravated assault. The complaint was signed by A. B. Hocker. He was released on \$105 cash bail.

## 17th-Madison Arrest

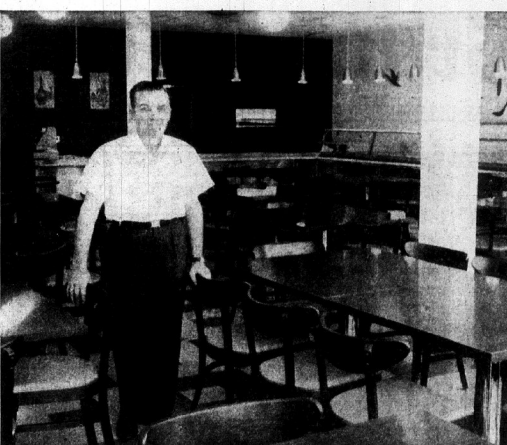

James J. Holten, 23, of 2618 Jerven avenue, was arrested by Granite City police Saturday at 17th street and Madison avenue on a speeding charge.

He suffered superficial lacerations to the lip, forehead (front teeth) and pain to the nose. X-rays were taken.

## Two Other Injuries

Mrs. Bernice Evans, 41, of 3040 Iowa street, was treated at the hospital for a "sprained" neck at 3:15 p.m. Sunday, and another car crash complained of a stiff neck and a pain in his left side.

Details on the Evans and Peznych accidents were not available from authorities.

READY TO OPEN his new cafeteria in the 1200 block of 19th street is Charles "Bill" Burns, 18 years in the restaurant business. Serving counter is in background.

## MORE ABOUT Job Gain

(Continued from Page 1.)

The National Radio Astronomy Observatory at Green Bank; and charged armor tunnels for M-40 Army tanks.

First heat in the transplanted facilities — poured Friday morning — was for a turbine steel testing.

As can be seen in a page of Press-Record photographs elsewhere in this issue, showing the current status of the remodeling.

Several units of the relocated time are unfinished; large hollowed-out areas still await the installation of equipment, and the gradual changeover is continuing.

But the processes are so nearly in place already in operation that it has been possible to integrate the work at a great degree, as evidenced by the early scheduling of the first heat.

Ultimate purpose of the move, which was necessitated partly by a continuing decline in orders, and a reduced level of operations at Edgemoor, is to achieve a "stronger, more efficient operation," a spokesman has pointed out.

In moving toward this goal, General Steel will place emphasis on efficient and economical integration of the product lines.

**Maintain Present Job Level**

While some of the 700 Edgemoor employees have transferred here and others will follow, many of the 400 jobs added here have been filled locally. Hiring in connection with the consolidation and specialized railroad cars, the force is expected to level off at the current number.

The plans announced March 8 called for closing the 33-year-old Edgemoor plant near Philadelphia before the end of 1963. It has been unprofitable in recent years.

The consolidation was described at that time as the "only feasible solution to what has been a long-standing problem for the company. General Steel will definitely remain in the industrial casting business and continue production of these products at Granite City."

Moving of the beltline here from Pennsylvania requires a new thick-walled building currently under construction. A large lean-to structure is being added to the western side of the main foundry to house a battery of heat treating furnaces.

**Floor Lowering Big Task**

Largest single aspect of the plant reworking has been the lowering of floors in the main foundry — to afford adequate crane height about the 16-foot-deep pouring pits — and in the No. 8 building to bring brought here from the east. Top of the pits is several feet below the original floor level, and the operating level of the boring mill will be 12 feet below the floor.

General Steel, which is headed by President Charles P. Whitehead, has its main offices in Granite City.

Other units, besides the Commonwealth Division, are the National Roll Division, a major supplier of steel rolls; the St. Louis Car Division, in its 75th year as one of the nation's leading manufacturers of rapid-transit equipment and specialized railroad cars; the Ludlow-Saylor Wire Cloth Co., St. Louis, a wholly-owned subsidiary which is a major supplier of industrial wire cloth and screen; and a Ludlow-Saylor subsidiary, Saylor Wire Screen and Iron Works, Inc., Los Angeles, Calif., which makes the same products as Ludlow-Saylor.

## Driving Charge Filed

Johnny L. Pellazari, 17, of 2115 Washington avenue, was charged with careless driving at Phibing and Nameoki roads by Granite City police Sunday.

## Prowler Reported

A prowler in the 3200 block of Oriole street was reported at 1:53 p.m. Sunday to Venice police.

**Optimists Hear About Farmer's Rising Costs**

Frank Thomas of the Farm Bureau office, Edwardsville, told the Granite City Optimist Club Thursday that rising steel costs are hurting the farmer.

"The \$3 per ton steel price increase doesn't sound like much," he said, "but it will mean a difference of \$175 to \$200 in the next tractor a farmer buys."

Thomas also talked about other increasing costs and problems the farmer has today.

President David John told the club that, starting Thursday, future non-meetings will be at the YMCA. He said the Elks Club has notified him that its club will be moved from the second floor.

He said the meetings at the YMCA will be on a temporary basis until the club's board of directors meet to decide on a permanent place.

Thursday's speaker will be Lawrence Tolar, president of the East Side Levee & Sanitary District.

## Burns' Cafeteria To Open Thursday

Charles "Bill" Burns' Cafeteria, Granite City's only public cafeteria, is scheduled to open Thursday at 1218 Nineteenth street, next to the new Travel-Lodge Motel.

Extensive interior and exterior remodeling has been completed. New tables, chairs and a 35-foot service counter are in place in the 30 by 37-foot dining area.

Seating capacity, Burns said, is 120. He plans to be open from 8 a.m. to 8 p.m. seven days a week, later on Friday night.

Burns, who has been in the restaurant business 18 years, is undertaking his first cafeteria. He formerly operated the Granite Cafe on 20th street and the Shogsborough on Old Route 3.

## Meet Wednesday In Dow Dispute

The U.S. Mediation Service announced this afternoon a meeting is set for 9:30 a.m. Wednesday.

The strike by United Steelworkers Local 8804 against the Dow Metal Products Co., Madison, entered its 45th day today with no end in sight.

No change has been reported in the status of the strike since the two sides last met with federal mediators on Sept. 25 in St. Louis.

The 700-member local at the light metal products plant, a division of the Dow Chemical Co., 76 walked out at midnight Aug. 30 when negotiations failed to bring a renewal of the expiring two-year contract.

Bernard O'Keefe, federal mediator, said the company and union met with him 13 times—four before the strike and nine since.

Union pickets continue to walk at the plant, main gate with plant supervisory personnel and non-union employees going to work as usual.

No Comment From Union  
Tom Griffin, staff representative for the United Steelworkers, refused to make any comment when contacted by the Press-Record.

A Dow spokesman, however, said: "It's a little difficult to pin down the difficulty; there are several basic points of disagreement."

Among those he mentioned were overtime distribution and the sabbatical leave vacation, "which we don't feel we want to give consideration to."

The sabbatical plan calls for 10 weeks vacation with 13 weeks pay every five years.

Asked if the plant supervisory personnel was operating machinery, the spokesman said: "Yes, that is correct. We are operating on a limited basis to meet critical customer demands."

"We advised our employees (the union members) by letter that the step had become necessary to protect our customers."

"It was that or lose customers. If that happened there would be fewer jobs when we did get this settled."

Matches, lighter fluid and similar flammable items are prohibited.

Tobacco products and coffee may not be sent to certain APOs.

"Mailers should consult their post office for details on these and other restrictions and for size and weight limitations to certain areas of the depot announcement states."

Tomorrow to prepare for Friday night's Homecoming football game against the East St. Louis Flyers. There will be half-time ceremonies by the marching band, and a dance will follow the game, to be held in the girls' gym with an orchestra furnishing music.

The spokesman said he could make no predictions concerning termination of the strike.

## Committees Are Named For Annual C. of C. Meeting

Welcoming and attendance committees have been appointed for the Tri-Cities Chamber of Commerce annual dinner meeting Oct. 24 and the committees are currently helping to complete advance arrangements for the event, Everett G. Steele, meeting chairman, announced today.

E. R. Applegate will be in charge of welcoming at the dinner, and the attendance committee will consist of William F. Madson, chairman, and Otto H. Romann, Frank R. Res, Charles A. Meyer, Dr. J. C. Byers, George W. Reeves, William P. Hoelcher and John L. Sedlack.

The welcoming committee membership is being completed this week. A meeting of the attendance committee has been set for Thursday afternoon.

Chamber members, wives, employees, associates and friends are being urged to attend the 1963 meeting, which will feature Hay Boyle, prize-winning columnist and author, as guest speaker. Ticket costs \$5 each are available at the C. of C. office.

"There is plenty of room for a large turnout," Steele reported. The gathering will be held at the American Legion Post 307 home, located in the 700 block of Broadway, Venice.

## Narcotics Charge Draws Sentence Of 2-3 Years

Charles Matthews, 33, of Venice, who was arrested last November by Venice police, was sentenced to a term of two to three years in the Illinois State Penitentiary at Menard Friday by Judge Austin Lewis in the Madison county circuit court at Edwardsville.

A circuit court jury found Matthews guilty of possession of narcotics last June. At that time, Judge Lewis gave him 30 days in jail.

The judge denied a motion for a new trial last Thursday, and the sentence came Friday after a hearing on aggravation and mitigation.

The murder case of Joseph Ward, 31, of New Orleans, which was scheduled to go to trial today, was continued again until Nov. 4.

Ward is charged with the murder of his wife last August. A probation hearing for Haylee Wright, 20, of 708 Jefferson street, West Madison, was set for Friday but was continued until today because of a busy court session. Wright, who had been listed as a fugitive for leaving his indictment and forfeited his bond, has pleaded guilty to a reduced charge of aggravated battery.

He was indicted by the county grand jury on a charge of rape of a 13-year-old East St. Louis girl last August 3, on Kerr Island. The rape charge was nullified by the state's attorney's office.

A hearing on a motion for a new trial for Carl Hoffman, 26, who lived at 2111 Lincoln avenue, also was set for today. Hoffman has been found guilty in the shooting of a Granite City Army Depot soldier on Sept. 20, 1962, at the former sherry lounge at 16th street and Madison avenue. Hoffman has been in custody on bond for more than a year.

Survivors include two sons, Edward Wedie, Granite City, and Charles Gawronski, Alton; four daughters, Mrs. Frank (Genevieve) Kirksey, Mrs. Frank (Virginia) Kittel, and Miss Marie Wedie, all of Granite City, and Mrs. Earl (Anna) Stenzler, Madison. 17 grandchildren and 16 great-grandchildren.

Services are listed in today's obituary column.

## Building Permits Set Record For Year

76 Issued In GC Last Month Total \$853,269; Shopping Center, Motel

A new record for construction in 1963 was set during September with 76 building permits totaling \$853,269 in value.

Two large projects accounted for the record, including \$500,000 for the new Hampton Village shopping center and the new Imperial 400 motel to be constructed in the Granite City downtown district.

The August permits also totaled 76 with values of \$345,693. The previous high was in April when 78 permits carried values of \$730,173.

Last month's nine permits for commercial-industrial purposes totaled values totaling \$725,719. Five were for new homes, \$89,500; 16 for additions to homes, \$85,550; 16 for garages and carports, \$9700; 38 for remodeling and repairs to homes, \$35,300; and one miscellaneous extension of the Granite City park district office in Wilson Park, \$5500.

Walker, 215 Briarcliff, 18th street, \$224. Eighteen permits for remodeling and repairs to homes went to Walter Ziegler, 215 Briarcliff, 18th street, \$224.

## Double-Ring Ceremony For Shambro-Kutzera Wedding

In a double-ring ceremony Saturday morning at St. Mary's Roman Catholic Church in Madison, Miss Barbara Kutzera, a daughter of Mr. and Mrs. Louis Kutzera, 908 Alton avenue, Madison, was married to Samuel Shambro Jr., a son of Mr. and Mrs. Samuel Shambro sr., 1238 Oriole street, Venice.

Arrangements of white flowers decorated the altar for the 10 o'clock Mass at which the Rev. Sylvester Mick O.F.M. officiated.

Mrs. Helen Ann McGarran presided at the organ and accompanied Mrs. Eleanor Tutka, soloist.

Given in marriage by her father, the bride wore a gown of Chantilly lace and lined with taffeta. The bodice featured a scalloped neckline and long, tight-fitting sleeves. From the waistline an overskirt of satin with embroidered lace roses on the sides and back flowed over the bottom of the skirt and swept into a voluminous court train. A jeweled headpiece which came to a V on the forehead held in place a bouffant veil of illusion. White orchids encircled with white roses made up the bride's bouquet.

The attendants Miss Deleone Sobolewski, maid of honor, and Miss Jeanette Gonterman, Miss Phyllis Lapinski, Miss Joyce Mand, Miss Puridia Shambro and Mrs. Mary Ann Rice, bridesmaids, were dressed alike in floor-length bengaline gowns of old rose. The brides were styled with round scoop necks in front with a square effect in the back. Trains flowed from the back necklines to the floor. Round pill box hats with flowers in the front and maine veils completed the costumes and all carried bouquets of white carnations surrounded by rose colored satin daisies.

A little flower girl, Jo Ann Shisto, was dressed in a white taffeta frock with short sleeves. The skirts, full length and full at the bottom, had a large

butterfly bow at the waistline in the back. Robert Dixon served as ring bearer.

For her daughter's wedding Mrs. Kutzera wore a beige broad sheath jacket dress and accessories of olive green, while Mrs. Shambro, the bridegroom's mother, was in an ensemble of light green broad sheath with medium brown. Both wore corsages of pale yellow orchids.

Mr. Shambro was attended by David Butler as best man, and Steven Dudak, William Shambro, James Rice, Douglas Niles, Richard Benner, Richard Shambro and Albert Sirko, groomsmen and ushers.

The wedding reception was held in the evening at the Polish Hall in Madison. When they returned from a honeymoon trip through the north the newlyweds will reside at 925a Washington avenue, Madison.

The bridegroom is employed by the Laclede Steel Co., Madison.

## Why do our EGGS taste so Good?

90% are produced by large poultry farmers in this Illinois area, who have chicken houses holding from 5000 to 10,000 hens. They are picked three times daily and put under instant refrigeration to assure freshness.

These eggs are rushed to our warehouse 3 to 4 times weekly where they are candled by our own highly trained staff, some with over 10 years experience. These eggs are rushed daily to all our stores.

We reserve right to limit. No sales to dealers.

# GCHS Breaks Into Conference Win Column

## Hiles, Wilfong And Evenden Score As Warriors Rout Wood River, 31-0

It was three weeks in coming, but Granite City high school's football forces ran off the Southwestern Conference victory banner this week after blanketing overmatched Wood River here Thursday evening, 31-0.

Freshman Coach Jim Morrison claimed his first SWC victory after his club had tied Collinsville 13-13 and had been unceremoniously dumped by Alton 40-0, and then went back to work today on the practice field.

The preparations are for East St. Louis' perennial power in the league and the opponent here Friday night in the GCHS homecoming contest.

The Flyers furnished a hint of what the Warriors can expect by rallying in the fourth period to edge a good Edwardsville club Thursday, 16-13, in what many observers felt was a game which decided the Southwestern championship.

**18-Point Fourth Quarter**  
The job at hand here Thursday, however, was to get in the SWC win column. The kids really needed this one, and so did 1st Morrison said after the Warriors had blanketed Wood River for 18 points in the final period to break open what had been a 13-0 halftime at half time and had remained so through the third period.

The Warriors showed the form they had exhibited in the first half of the Collinsville contest as they ripped off nearly 400 yards in the ground while holding the Oilers to less than 30 and effectively blunting the visitors' passing attack.

Headback Joe Hiles, who was to be used only sparingly until Morrison learned that Missouri University senior Hank Kuhlman was the starting quarterback for the purpose of looking good, was pumped out 158 yards in 20 carries to lead GCHS to victory.

Hiles scored two touchdowns, the first on a short punge which put GC ahead 6-0 in the first quarter, while halfback Norm Wilfong romped for 121 yards in 12 carries, including 12 and 48 yard hits for touchdowns.

Headback Nick Pettito made GC's ground attack a three-pronged affair, getting 89 yards in eight tries in his first game since being injured in the Madison contest three weeks ago.

**Lineman's Dream**  
And defensive tackle John Evenden realized every line-man's dream during the first four minutes when he scooped up Wood River quarterback Lee Davis' fumble and rambled 58 yards for the fourth of GC's five scores.

The Warriors drove 60 yards in 11 plays after receiving the opening kickoff. Hiles, playing with a badly bruised knee, led the extra point kick after punching across from the one yard line that ended first-quarter scoring.

Taking over from Wood River on the visitors' side midway through the second period, Granite City again mounted a sustained, rain-soaked drive. Hiles and Joe Nemeth ate up 25 yards in two carries and, on the fifth play of the series, Wilfong broke loose for the final 12 yards. Hiles converted from placement and it was 13-0 at half.

Wood River netted 35 yards rushing in the first half while the Warriors, now 3-1 overall, and 1-1-1 in conference play, gobbled up 215.

No points went up on the board in the third period, and Ron Yates stopped an Ole Rebels drive.

March with a pass interception at the GC 28 and Hiles' 30 yard punt after the visitors' 30 was off the field.

But the Warriors were on the march again as the quarter ended. They had moved from their own 47 to the Ole River 14, and on the first play of the fourth quarter, Hiles ran for another score and a 19-0 advantage.

The clubs exchanged punts in the second quarter, but Granite City came up for the 220-pound Evenden, who found enough reserve speed to outdistance pursuing Oilers for 58 yards and another score. Hiles, obviously tired by his earlier missed extra point kick again.

Helped by a 15-yard penalty and Ed Cheatham's 12-yard run, the longest gain on the ground in the evening, the Warriors moved as close as the GC 19, its deepest penetration of the evening, in the next series.

But GC's defensive line, which kept the pressure on Davis when he faked to pass, forced the Ole River back to the 24, from where Pettito scampered 28 yards and just across the midfield stripe.

Two late Hiles punts sprung loose on a trap play, spoiled his blocking and went 48 yards for the game's final score for the extra point.

**Chiefs Drop 14-0 Decision Thursday**  
Webster Junior high school struck twice from long range Thursday to hand the Prairie Chiefs a 14-0 setback in a Junior high conference football contest, in Collinsville.

Webster scored with four minutes left in the third quarter on a 65-yard end sweep and passed for the extra point.

With two minutes left in the game, the host club intercepted a pass and ran it back for the clincher, again passing for the point after touchdown.

The Chiefs had 163 yards rushing, including 75 ground out in one series which was kept by a penalty. Webster had 137 yards.

It was the second loss in three weeks for the Chiefs, who had dropped the club into a tie with Webster for fourth place in the JHS standings.

**Three Winners In Punt, Pass, Kick Contest Saturday**  
Eight contestants represented the Granite City Park, Pates and kick competition for young boys at a contest sponsored by the Ford Motor Co. and National Football League and held in St. Louis Saturday morning.

They represented the B. E. Hohlif Drive agency here, one of 12 dealerships which sent contestants to the Forest Park competition.

Winners included Kevin Dyer, Mitchell school, in the nine-year-old class; Carl Earls of Nieringhaus school in the age 10 group; and Harold Adams of Dunbar school in the 11-year-old category.

Their total scores will be tabulated and compared with others in the St. Louis contest to determine if they have qualified for regional eliminations scheduled for Busch Stadium on Sunday, Nov. 10.

## Favored Riverview Wins Beaumont Invitational, Granite City Is 20th

Granite City high school basketball team entered in the seventh annual Beaumont Invitational cross-country run Friday afternoon at Forest Park in St. Louis.

Dick Harmon's Warriors did not place a runner among the top 20 finishers in the meet, which was won by favored Riverview of St. Louis, who won though Sunday's Dennis Hudson took individual honors with a 9:55.5 clocking over the hilly two-mile course.

Riverview had the low point total of 74. Alton was second with 93. Vashon third with 125. Southwest fourth with 170 and 1962 team champion Kirkwood fifth with 187.

Other Southwest Conference teams entered and their final positions included Belleville eighth, East St. Louis 10th, Collinsville 11th and Edwardsville 15th.

A 5-6-7 finish by Terry Pardo, Dan Cripe and Tony Dreyer provided the margin of victory for Riverview, which had won the Beaumont invitational at earlier this fall.

Gary Lomas, finished 30th to lead individual Riverview performers. Mike Lambert was 88th, John Bail, who was knocked down during the race, was 105th. Pat Harris 107th, Pat Kincaid 124th and Steve Stamps 138th in an overall field of 230 runners. Gene Steimberg started but did not finish for GCHS.

## 'Shrimp Boat' Planned Oct. 25 By K. of C's

Tri-City Knights of Columbus Council 1088 made plans for a "shrimp boat" supper at 6 p.m. Oct. 25 at the council hall during a meeting Thursday night. The public is invited.

Tickets will be \$3 and will include refreshments and entertainment. William Crnkovich is chairman of the event.

James Worthen, grand knight, announced that the council's corporate communion breakfast in honor of Columbus Day has been postponed to Nov. 10 at St. Mary's Church, Madison, at 7:30 a.m. Mass. Wives are to attend.

During the breakfast, Marvin Boyer, faithful navigator of the fourth degree assembly, announced that the purposes of the assembly will be explained and its challenge ceremony will be demonstrated.

The council approved its second \$50 contribution of the year to the Shrine of Our Lady of the Snows near Belleville. A barbecue party for members was planned for 6 p.m. Nov. 2.

Guest speaker was Terry Francis, Granite City attorney representing the speakers' bureau of the Tri-City Bar Association, who discussed wills and estates. A question and answer session followed. He was introduced by Robert McCormick, council lecturer.

Other reports were presented by Don Stanton, blood committee chairman, and Fred Tritsch, youth committee chairman who announced that a student member of the supreme council, youth division in New Haven, Conn., will attend a meeting of the Columbian Squares at 7:30 p.m. tomorrow.

The council was invited to participate in a new Catholic bowling league being formed at the Tri-Nor alleys. A guest at the meeting was John Buscher, a 60-year charter member of the Littlefield K. of C. council.

## Draft Registrants Must Report Address Changes

To avoid being ordered for immediate induction "into the Army as delinquents," Quad-City young men should inform the county selective service board of any address change.

Edwardsville at one of their current home addresses. If it has changed since they last reported it, The office is located at 1304 Millboro avenue, Edwardsville.

This warning was issued today by John H. Hammack, director of selective service for Illinois. He said that until recently the boards were not classifying men under 22 years and six months of age but now are processing the younger age groups and soon will complete classification of all men over-18.

If unable to locate a man in order to have him submit a classification questionnaire, the board will declare him a delinquent for failing to keep them advised of his address and will order him for immediate induction ahead of his regular turn. If he fails to appear for induction, he will be reported to the United States Attorney.

The recent Presidential order making married men no longer liable for induction has caused a lowering of the age groups being ordered for physical examination and induction. Previously for several years no Illinois men under 22 years were ordered involuntarily for examination or under 23 for induction.

Nov. 21-year-olds are being sent for examination and 22-year-olds for induction. Soon the boards will be able to reach somewhat lower to find their quotas.

The man who fails to keep his address advised of his whereabouts may be inducted as a delinquent even though only 19 years of age, the draft board points out.

Leonard Will, plant superintendent at Laclede Steel Co., Madison, chairman of the chapter, said the speaker will be Donald A. Waehner, Chicago, engineer for Metal Lubricants Co. The meeting will start with a social hour at 6 p.m.

## Six Homes Boost New Construction To \$118,635 In GC

Six new homes boosted construction values to \$118,635 during the first part of October, with 31 building permits issued by Earl Bloomquist, building inspector, and City Clerk A. L. Stevens.

The houses are valued at \$85,000. There were 13 permits for remodeling and repairs to homes, representing a cost of \$745; four for additions to homes, \$3500; six for garages and carports, \$4145; and two for commercial industrial purposes, \$3245.

L. Wolfe & Co. obtained permits for five of the homes. They include a five-room brick veneer in the three-level subdivision, \$12,000; an eight-room duplex brick veneer at 3008 and 3010 Yale drive, \$23,000; a seven-room brick veneer and aluminum at 3136 Harvard place, \$19,000; five-room brick veneer at 4025 Sara street, Fortson Plaza, \$12,000; and a five-room brick and aluminum at 4021 Sara street, \$13,000. The other home permit was issued to Ed Moore, a six-room two-story brick at 138 Bermuda lane, Holiday Gardens, \$16,000.

## 3 At GCNS Commended By Scholarship Group

Three seniors at Granite City high school have been honored for their high performance on the National Merit Scholarship Qualifying Test given last spring. Each student who is endorsed by his school receives a formal Letter of Commendation signed by his principal and the president of the National Merit Scholarship Corporation.

GCNS Principal Lawrence C. McCauley announced today that the commended students are Barbara Kovachik, Michael McCarty and Joe Merklebach.

John M. Stalaker, president of the National Merit Scholarship Corporation, said, "About 32,000 students throughout the country are being awarded Letters of Commendation in recognition of their outstanding performance on the test. Although they did not receive the status of semifinalists, they are so capable that we wish to call attention to this in way to their achievement and academic promise."

Semifinalists and commended students together constitute about 2% of all high school seniors. This signifies noteworthy accomplishment by all of these youngsters."

The Merit Corporation sends the names, home addresses and test scores of all commended students to the two colleges they indicated as their preferred choices at the time they took the test. Other special services are performed by NMSC in an effort to increase the scholarship opportunities of commended students and semifinalists.

Those commended students were among high school seniors in approximately 16,500 schools who took the test last March. The current program will conclude about April 3 with the naming of students who will receive four-year scholarships to the colleges of their choice.

## Tests Must Be Passed For GED Certificate

Harold Thomas, Granite City board of education official who administers the General Education Development tests for a county area, today emphasized that persons who take the refresher courses now under way in Venice must pass the tests in order to receive a high school equivalency certificate.

He said many inquiries have come into his office since a feature story on the Venice refresher course appeared in last Thursday's Press-Record.

"I don't know how it could be stated any stronger," he said, referring to the article. "I guess some people just didn't read carefully. But no one can receive a certificate without passing the test."

Thomas said as a public service, he administers the GED tests for Madison, Calhoun, Jersey, Marion and Clinton counties. Most people are from the Quad-City area, he said.

He also emphasized that persons must first apply to the county superintendent of schools in order to take the test.

## 3 Aero Spray Pilots To Go To Nicaragua

Farmers Aero Spray Co., operated out of Lakeside Airport by Jack Bettag, 1009 Third street, Venice, has been contacted to send three pilots and planes to Nicaragua to chemically spray for next year's cotton crop there.

Bettag said the demand for American know-how from South and Central America has increased in the past few years to improve and increase the yields of the food and cotton crops.

The firm has completed its commitments in this area for the 1963 season, spraying 19,200 acres, Bettag said. Over 76,800 gallons of chemicals were used. The average sprayed included 1400 of seeding, 2700 fertilizing, 8250 of sweet corn, row crops, broadsword and soy beans, 1200 acres defoliating, along with 2800 acres for mosquito control and 1800 acres for insect control on lakes.

Bettag pointed out that the University of Illinois has discovered the constant use of chemical DDT has caused the soil to build up a residue. In some areas of Illinois, the use of DDT will be restricted, possibly to include this area. "This is no indication that our farm land is becoming infested by fire being introduced to insure that this condition will not develop. The

### Sisters At Sacred Heart Honored

The annual tea given by the Sacred Heart Mothers' Club honoring the Dominican Sisters and teachers of the school was held Sunday afternoon with 150 present.

A statue of the Blessed Virgin Mary overlooking the world as the theme for the tea, and place cards for the honor guests were miniature replicas of the statue. The elaborately decorated tea table with its silver service and candelabra held a central arrangement of blue and white chrysanthemums and silver trays loaded with dainty cookies, nuts and nuts. The club officers served. They were Mrs. Mary Stiver, president, Mrs. Jo Gibson, Mrs. Shirley Janson and Mrs. Jo Ann Rozek.

The guests were Sisters Peter Damien, M. Colette, M. Therese M. Donna Marie, M. Ann Vincent, M. Hubert, M. Marie, M. Matthias M. Xavier, Miss Isabel Hall, Miss Marsha Phipps, Mrs. Myrtle Willman, Mrs. Cecelia Cruse, Mrs. Gerald Davis, Mrs. Costello, and Mrs. Weerts and Yaska, and mothers of the school children. The tea was held in the school annex.

Games were played, and gifts were presented to the Sisters and teachers.

Mrs. Norma Chapman served as general chairman, and Mrs. Jo Ann Ruth headed the decorating committee.

### Amvets Auxiliary District Installs

A meeting of the Fifth District, Amvets Auxiliary, was held Sunday at the Madison Post headquarters and an installation of officers took place. The following local women were inducted: Jewel Taylor, president; Bertha Macios, senior vice-president; Jo Ann McCord, junior vice-president; Ann Tucker, secretary; Charles Sanders, treasurer; Nadine Harrison, chaplain; Pauline Wickham, public relations officer; and Pearl DeRossett, S.O.S.

Charity projects were discussed and a membership drive was announced. All Posts in the district are participating.

Mrs. Sue Breckle, retiring president, was given a past president's pin and a gift. The white elephant was won by Mrs. Ann Tucker.

Dinner was served to the Amvets and Auxiliary members and the meeting closed with prayer by the chaplain.

The next district meeting will be held Nov. 24 in Mt. Vernon. Mrs. Dorothy Lefox, president of the Amvets Auxiliary department of Illinois, will be the speaker.

### Shower Honors Mrs. Heaton

Mrs. Albert Heaton was honored Sunday afternoon at a baby shower given by Mrs. Betty Ehlert, Mrs. Lottie Weir, Mrs. Mable Thompson and Mrs. Whitt in the basement of St. Joseph's Church.

The special prize was won by Mrs. Stella Arnold. Other prizes went to Mrs. Lorene Christ, Mrs. Katie Alexander, Mrs. Whitt, Mrs. Dorothy White, Mrs. Thelma Cuvax, Mrs. Janet McGinnis, Mrs. Vera Scott, Mrs. Mable Frouke, Mrs. Charlotte Tessmer of East St. Louis, Mrs. Arnold, Mrs. Virginia Heaton, and Miss Mary Ellen White.

Refreshments were served to 24 guests.

### HONOR NEWLYWEDS AT RECEPTION

Following the regular mid-week prayer service Thursday evening at the Gospel Mission on East 26th street, a reception was held honoring Mr. and Mrs. Paul Keeler, who were married recently.

## Kilmer-Meradith Nuptials Friday

Miss Myrna Meradith, daughter of Mrs. Agnes Meradith, 1645 Fifth street, Madison, and Floyd Kilmer, a son of Mr. and Mrs. E. L. Kilmer, 203 Myrtle avenue, were married Friday evening at the parsonage of Trinity Methodist Church in Madison. Rev. C. M. O'Grady performed the 7 o'clock ceremony.

The bride wore a light blue lace and chiffon dress, a matching hat and a corsage of mums and lilies of the valley. She was attended by Miss Toni Rehmer of St. Louis in a pink dress of chiffon and tulle and a corsage of pink carnations. Ronald Kilmer was best man for his brother.

A reception was held after the ceremony at the home of Miss Rehmer in St. Louis. The newlyweds will reside in Granite City. Both are employed in St. Louis.

## Marriage License Issued

A marriage license has been issued by Deputy Clerk Edwin Thurber to Freeman Jordan, 101 Harrison street, Madison, and a Mary Campbell of the same address.

## Meyenburg-Jones Wedding At Trinity Methodist Church

Branded candelabra at the altar, bouquets of white gladioli and candles at alternate pews down the center aisle provided the setting Saturday evening for the wedding at Trinity Methodist Church of Miss Lois Lee Jones, a daughter of Mr. and Mrs. Paul E. Jones, 4401 Kirkpatrick, Homes, and Raymond Paul Meyenburg, whose parents are Mr. and Mrs. Clarence P. Meyenburg, 2838 Palmer avenue.

The Rev. Clair Clark officiated at the 7:30 o'clock ceremony and the wedding reception was held afterward in the church basement. Later the bridegroom's parents entertained a few friends informally in their home.

The soloist, Mrs. Gary Buehler, sang "True Love," and the

## Degrees For Six OES Members

Six new members received degrees of the Order of Eastern Star at a meeting of Granite Chapter 650 Friday evening. They were Jay Ridings, a son of Hazel Ridings, Harry McClintock, son of Mrs. Elizabeth McClintock, Mrs. Patricia Reed and Lois Doty.

Mrs. Margaret Michels, soloist, carried natural star baskets of flowers. The bridegroom, son of Mr. and Mrs. Archie Bourdon, a son of Mrs. Bourdon, is a member of Granite Chapter.

After the meeting a party was given in the dining room. Preston Ridings is worthy patron of the chapter.

MR. AND MRS. RAYMOND MEYENBURG, who were married Saturday evening at Trinity Methodist Church, daughter of Mr. and Mrs. Paul E. Jones, 4401 Kirkpatrick, the bride is the former Lois Lee Jones.

## Miss Nancy Jo Harris And Steve Segedy Wed Saturday

First United Presbyterian Church was the scene of the wedding Saturday evening of Miss Nancy Jo Harris and Steve Segedy.

The bride's parents are Marvin Harris, 2442 Delmar avenue and Mrs. Alma Cline of St. Louis. Mr. Segedy is a son of Mrs. Rose Segedy, 2917 Indiana avenue, and the late Steve Segedy.

The double-ring ceremony was performed at 7 o'clock by Rev. Dr. David B. Maxton and the guests remained for a reception in fellowship hall.

The church sanctuary was decorated with altar bouquets of white gladioli, pom poms and greenery and light was furnished by burning candles in candelabra. White ribbon bows marked the pews along the center aisle.

David West, soloist, was accompanied at the organ by Kenneth MacClatchey. The songs were "Wedding Prayer" and "Be Now Mine Own."

The bride wore a gown of peach silk, classic in styling, the neckline outlined with ruffled lace. A traditional long, tapered sleeve with points at the wrists were set into the fitted bodice. The very full skirt, worn in crinoline, was detailed down the front with a row of matching lace. A cathedral train, flowing from the back at the waistline, a crown of pearls held in place by the bride's hair.

The bride carried an old-fashioned diamond-encrusted nosegay in which

## 'Sweet Sixteen'

Dinner Party

Mr. and Mrs. John Markarian and Dr. and Mrs. Curtis Green Jr. entertained guests at a dinner party and "sweet 16" party Saturday evening in honor of their daughter, Miss Cynthia Markarian and Miss Tammy Ann Green.

It was held at Sunset Hills Holiday Inn and about 100 young people attended.

The tables were decorated with pink balloons bearing the names of the girls, red pennants on which was written "Sweet 16," and pink and red roses and carnations. There were two birthday cakes decorated with balloons and pennants and from the ceiling was suspended white heart-shaped pinata filled with gifts for the guests.

The orchestra furnished music for the dinner and for dancing.

## SURPRISE BIRTHDAY PARTY FOR MRS. DAVIS

## 200 Attend VFW Auxiliary Meeting

Large delegations from cities throughout Illinois were in attendance Sunday at a meeting at the Veterans of Foreign Wars Hall sponsored by the president of Auxiliaries in the 11th, 12th, 13th, 14th, and 15th VFW districts.

The highlight was a school of instruction conducted by district presidents, Mrs. Marie Harriett, Neelon, Ill.; Mrs. Freda House of this city; Mrs. Helen Perdus, Carmi; Mrs. Marion Polmann, Belleville; and Mrs. Mary Dale, Golconda.

Mrs. House, president of this district, opened the morning session at 10 o'clock and introduced Mrs. Dale, who served as mistress of ceremonies at the dinner following the school of instruction.

A guest of honor was Mrs. Imogene Eaton of Carbonado, state president of the Ladies Auxiliary. Other distinguished guests were present from Chicago and other cities.

Approximately 200 members and guests attended the all-day sessions.

## Car Hits Tank Truck

A car driven by Fred Slay, 74, of 613 East Chain of Rocks road, struck a parked tank truck owned by Melvin Allman at Nansook and Pontoon roads. Slay said he was forced over by another car which did not stop. The auto and truck were damaged.

## 2 Charges Against Driver

Roy Louis Vaughn, 19, of 1653 Second street, was arrested by Granite City police at 12:20 a.m. Saturday on charges of being drunk and resisting arrest. Police were called by a guard at the Union Star and Refining Co.

## Second Man Arrested In Pocket Picking Case

Lat Pickett Jr., 25, of 828 Webster street, Madison, was turned over to Venice police by St. Louis police on Saturday.

He was wanted on a warrant issued in connection with the theft of money from Earl Griggs, 1029 Duane street, Oct. 4 at Kingsbury's Tavern at 401 Webster street.

Griggs said Pickett and Claude (King-Tut) Davis, 33, 25 Lee Wright House, picked his pocket of \$127. They are to appear in court Saturday.

## Accident Early Today

Involved in an accident on 22nd street near Madison avenue at 1:30 a.m. today were auto driven by Robert Swiatek, 27, of 214 Lincoln avenue, and Leon and Thompson, 21, of 4381 Highway 162. Police said no one was hurt.

## Fire Damages Car Motor

The carburetor of an auto caught fire at 11:20 p.m. Saturday at 217 Watson road, Eagle Park Acres, causing about \$26 damage to the motor. Venice firemen answered the alarm.

## Harrison Melton, 71, Dies; Former Resident

Harrison M. Melton, 71, Glen Carbon, a 30-year Granite City resident and retired Granite City Steel Co. employee, died of cancer at 7:45 p.m. Friday at St. Elizabeth Hospital, where he had been a patient five weeks.

Mr. Melton, a native of Burnsville, Tenn., moved to Glen Carbon four years ago. He retired from the steel mill about two years ago.

Survivors include his wife, Edith; three daughters, Mrs. Kathleen Lipscomb and Mrs. Gilbert (June) Ellis, Granite City; and Mrs. Robert (Nell) Cochran, Edwardsville; a son, Harrison Melton Jr., Granite City; two sisters, Mrs. A. R. (Lucy) Hinson and Mrs. Virgil (Lora) Carr, Granite City; and 12 grandchildren.

Funeral arrangements are given in today's obituary column.

## Parked Car Struck

A car owned by Judy Alech, 2772 Madison avenue, which was parked in front of her home at 2:40 a.m. Saturday, was struck by an auto driven by William L. Scaggs Jr., 20, of 1314 Orville street, Venice. He told police he hit a slick spot on the pavement and slid into the parked car.

## Hit-Run Accident

A car owned by Alvinette Metcalf, 2718 Cayuga street, was struck by a hit-and-run driver at 3:10 a.m. Saturday while parked on Madison avenue in front of St. Elizabeth Hospital. A Granite City police report said the other car is owned by Robert J. McDonald of Cahokia.

## Car With Blood

Blood and gore found on the blacktop road 17 feet from the car caused momentary thoughts of violence, but inquiry at neighboring homes yielded no evidence. When a rabbit apparently struck there by the auto, was found in a ditch on the other side of the road, it was concluded that the thieves used it to leave the blood-stained. They presumably thought the collision would give them more time to escape, or were perpetrating a Halloween prank 18 days early.

## K. Of C. 4th Degree To Meet Wednesday

The fourth degree assembly of the Knights of Columbus will meet at 8 p.m. Wednesday at the K of C hall.

Plans will be made for a Nov. 10 communion breakfast at St. Mary's Church, Madison, and for a fund-raising project.

## Girl Breaks Window

Kenneth White, 2128 Bryan avenue, reported to Granite City police at 5:10 p.m. Sunday that a small girl threw a rock and broke a window in his bathtub.

## 25 YEARS AGO

The following items were taken from the files of the Granite City Press-Record:

**THURSDAY, OCT. 13, 1938**

G. B. Usery, secretary of the Associated Retailers, said his office the other day trying to think of something different for the annual merchants' bazaar. He was party and he thought to wonder if there were any "jitterbugs" in the four cities.

For the uninitiated, "jitterbugs" are exponents of the new dance craze.

"Why can't we have a jitterbug contest in the Quad-Cities?" he asked, recalling the Chicago jitterbug stampee and the turn-out of "cats and alligators" in St. Louis just a week ago for a first of skill.

He plans to have the contest as a special feature of the Halloween festivities.

"Good News," a satirical musical comedy about college life, will be presented at Community high schools homecoming celebration, which starts Oct. 27.

Mrs. Theresa Fogle had a meeting of the Education class of the Madison Methodist Church Monday evening, the guest speaker being Mrs. John Boswell.

A lunch was served to Mrs. Belle Clemens, Mrs. Ruth Hornum, Mrs. Corneille Hommert, Mrs. Opal McGee, Mrs. Mildred Garton, Mrs. Margaret Brown, Miss Rosa Bowman, Mrs. Helen Johannpeter, Mrs. Naomi Stodolter, Mrs. Opha McMahon and Mrs. Pauline Lewis.

A Young Women's Democratic club was organized last night at a meeting in the home of Mrs. Marcus Hedlund, and the following officers were elected: Mrs. Hedlund, chairman; Mrs. Nora McKinney, vice-chairman; Mrs. Mary Moore, treasurer; Mrs. Naomi Stodolter, secretary; Mrs. Edwin Sides were appointed to handle publicity.

An entertainment committee was appointed, consisting of: Marie Laxton, Mrs. Malva Lockhart, Mrs. John Allen, Mrs. Louis Beck and Mrs. Ruth Erush. Mrs. K. W. L. and Mrs. Edwin Sides were appointed to handle publicity.

William Thompson of Nash street has raised two sweet potatoes he is willing to wager are the largest ever grown in this community. They weighed six and four pounds.

Mrs. Paul Grigsby, wife of the Community high school superintendent, last night broadcast the style news from the Velled Prophet Ball. She is a stylist for a large department store.

Mrs. Guy L. Tetherington was hostess Tuesday for the first meeting of her bridge club. Favors were awarded to Mrs. William Purcell, Mrs. Charles W. and Mrs. Margaret Edwards. Others present were Mrs. C. W. Munson, Mrs. Cassius Drenth, Mrs. Jesse Wilson and Mrs. A. C. Stover.

## Pitfalls in Attracting More Jobs

By WAYNE A. JOHNSON  
President, Illinois Central Railroad

(Fourth and last in a series)

Local programs to attract new industry vary widely in the results they achieve. There are no single, simple reasons for the death of success in many communities. And the causes of failure are often easier to catalog than to correct.

Here are a few of the most frequently cited causes of failure which have been pointed out by studies by the Illinois State Chamber of Commerce:

1. Community facilities are inadequate, making the state unattractive to new industry.
2. Community attitude and leadership are poor.
3. Desirable site and buildings are not readily available at reasonable cost.
4. Basic facts on community facilities and services have not been assembled in one location.
5. Expenditures of time, money and effort are not sufficient to produce results.
6. Programs are poorly planned and haphazardly conducted.

**125 Communities Active**

There are probably only 125 communities in the state which have organized industrial development programs doing a good or excellent job of attracting new industry. The State Chamber of Commerce Economic Development Committee is not generally recognized that a program of industrial development has been organized in these communities.

## Full-Scale, Permanent Circuit Court Essential in Quad-Cities

Circuit-riding judges—bringing justice to the people—gave the circuit court its name.

Now, before final decisions have been reached — is the time to make sure that the Madison county circuit court remains dedicated to this principle under the new judicial system which is going into effect Jan. 1. A full-fledged, full-time circuit court is essential not merely at the county seat but at each major population center as the Quad-Cities.

It is true that current plans call for Granite City and Alton city court facilities to be used after the courts themselves are abolished; they are to be used to a degree, as there are seven judges in the county. But what is needed is the full scope of court services, not just limited use. And the services should continue even after retirements eventually reduce the number of judges to five. Operation of five courtrooms in Edwardsville and none elsewhere would be an injustice not only to the public but to the objective of improved court services, toward which the new system was intended to lead.

The Quad-Cities currently have a population around 70,000. A rise to 100,000 or more seems probable in the foreseeable future. It would be far from surprising if the population should rise to "ride his circuit"—drive 10 or 15 miles—than to require that the trip be made instead by batteries of lawyers, litigants, witnesses, jurors and spectators.

If centralized filing would lead to concentration of court activity at the courthouse, this would work against the concept of bringing the courts to the people. It is true that certain highly specialized cases could be handled most conveniently at a single location, but there is no valid reason why the bulk of the court's broad new powers should not be exercised where they are needed.

The new Illinois plan can bring about significant advances toward the ultimate goal of prompt and fair justice to all. This can best be accomplished if the courts are close to the people. To be clear, it is not a matter of theory, the circuit court must meet regularly on full-time basis in the Quad-Cities as well as at Edwardsville and Alton.

Smoke caused an overboarded igloo in the Honeydew Ice Cream Parlor, 1525 State street, resulted in \$600 damage, according to Fire Chief James Marsh.

Mrs. William Reischer and Mrs. Edith McCallister entertained friends at a farewell party at the St. Nicholas Memorial Church in honor of their sister, Mrs. Harry Allen, who left with her husband to live in Colorado Springs.

Among those present at the last night broadcast of the style news from the Velled Prophet Ball, she is a stylist for a large department store.

Mrs. Guy L. Tetherington was hostess Tuesday for the first meeting of her bridge club. Favors were awarded to Mrs. William Purcell, Mrs. Charles W. and Mrs. Margaret Edwards. Others present were Mrs. C. W. Munson, Mrs. Cassius Drenth, Mrs. Jesse Wilson and Mrs. A. C. Stover.

## Men Responsible For 12 Burglaries Are Behind Bars

Solving of five burglaries in Granite City and seven in Madison last week should help convince thieves of a contention we voiced here the previous week—that this community is simply too hazardous a place for them to play their trade. The three men, each responsible, have all been placed behind jail bars as a result of the break-ins.

Judging by the 12 obtained—a total of less than \$300 for the 12 thefts—burglaries here are rather unprofitable, particularly considering the personal risk that is taken. And not only has money of the \$300 been recovered, but the lawbreakers find themselves indefinitely removed from all sources of livelihood, legal or illegal.

While it is a fact that can never be considered fully won, police and deputies in this area deserve congratulations for proving once again that "crime does not pay."

trial development needs time to operate effectively.

It is natural to expect immediate results. Success does not come quickly, supporters tend to lose confidence in the leader. The results of such enthusiasm frequently lose their enthusiasm. Patience is an essential ingredient of any industrial development program.

Lack of direction and leadership has stymied many local efforts. Here is a light on the survey by the State Chamber disclosed about the operation of the state's "Local leadership is weak and divided. Various industrial development efforts are working at cross purposes. Local bankers, real estate people, and business and professional representatives of utilities and others have not been welded into a cohesive team."

**Cost Factors**

It must be remembered, too, that sound industrial development programs require more than financial effort. Many Illinois communities have suffered because of inadequate funds. Given sufficient funds to do the necessary work, the Chamber on building development programs in the community must devote adequate time to this work or additional full-time personnel should be hired.

Steps have been taken recently in several cities and counties to employ a full-time industrial development man or expand existing staffs to enable present staff members to devote their time to this area of activity. Members of Commerce in St. Louis, St. Paul, St. Louis and Chicago have had full-time industrial development personnel on building development programs in the community must devote adequate time to this work or additional full-time personnel should be hired.

## United Fund Benefits All, Needs Financial Help From Everyone

The "one gift that works many wonders" will be requested from each Quad-City in the annual United Fund campaign opening tomorrow. Each owes it to himself, his family and his friends to give his fair share toward the \$312,213 goal.

Despite the "astronaut moon probe" theme, the local United Fund is a down-to-earth way of providing essential health, welfare and other community services. It boils down to "people helping people" in the most efficient and inexpensive fashion yet devised.

By grouping 18 fund drives into one yearly appeal, administrative and campaign costs are kept to a minimum and there is a vast saving of time for both volunteer workers and contributors. Those who give have the convenience of an easy pledge plan and the assurance that their dollars will be used effectively by legitimate, approved agencies.

Participating services, ranked in the order of their allocations, are the YMCA, Boy Scouts, Catholic Charities, Red Cross, Salvation Army, Coordinated Youth Services, Girl Scouts, Protestant Welfare, Health Services Fund, Madison County Mental Health Association, "Y" Teen Town, Aid to Retarded Children, Madison Teen Town, Boys Town of Illinois, Illinois Children's Home and Aid Society, Visiting Nurse Association, S.S. and Family Service Agency.

Just as the United Fund serves every individual, family, organization and business in this community, it depends on all of them, each October, to provide basic financing.

Whether heralded by the traditional "kick-off" or the newer "blast-off," the time is at hand when the controls, the destiny, are placed in Quad-City hands. It is up to everyone to help steer the right course, by means of generous gifts, so that programs vital to the local way of life can be continued during the coming year.

## Existing Local Firms Providing Most Of New Job Opportunities

In discussions pointing out the value of maintaining a favorable industrial climate, it has been estimated that 85% of all new job opportunities stem from expansion of existing plants rather than from attracting new industry to the area.

Reconstruction of the Nestle instant coffee plant added 100 new local jobs this summer, and General Steel Industries has just provided further employment by placing an additional 100 on its payroll at the Commonwealth Division in Granite City. A news article and photographs elsewhere in this issue tell of General Steel's efforts to provide a sounder and broader base of employment in the Quad-Cities. Laclede Steel Company has embarked on a major expansion program this year.

All those associated with the General Steel expansion and reconstruction program rate a vote of thanks from local residents who have first-hand knowledge that while new industries are helpful and desirable, "old friends" are the best—the firms that have been associated with the Granite City, Madison, Venice and Mitchell through the years.

**President Cites Role Of Press In Encouraging Good Citizenship**

In these times of great events and decisions, the importance of which influence the entire world, newspapers play an increasingly important part in providing the information free people must have to be good citizens.

"Critical examination of the policies and actions by our government by its citizens is essential to an open society. This primary role of the press, together with the knowledge that with freedom comes responsibility.

"No other nation in the world enjoys a press as responsive to the needs of freedom as the newspapers of our country. Newspapers in the United States make a better citizenry in people's lives, and have throughout our history.

"In observing National Newspaper Week, we are significantly aware that the vigilance of newspapers, together with the capacity to inform, entertain and provoke thoughtful analysis, is an essential ingredient of the framework of our daily lives.

"We are fortunate to have a press which increasingly seeks higher standards of responsibility and service." —President John F. Kennedy.

## Added Space Provided Circuit Clerk's Office

Expanded quarters will be provided for the office of Madison county circuit clerk William Portell in the courthouse in Edwardsville by the courthouse committee of the county board of supervisors.

The office will absorb space now used by the county coroner, veterans assistance officer and the veterinary officer. These offices will move from the first floor location into the basement in a room now used for board committee meetings.

The move was made because of the new Illinois judicial amendment which will require that the office of circuit clerk be the central filing agency for all court cases in the circuit. The increased work load made the change necessary. It will begin tomorrow.

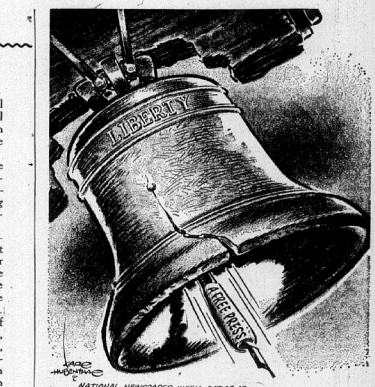

## County Construction Value Totals \$1,086,000

New construction permits issued by the county during September totaled \$1,086,000 in value, it was reported this week by Charles J. Esparmer, building officer for the county.

Of the 97 permits issued last month, 63 were for residences totalling \$870,000, 30 for garages and outbuildings valued at \$86,000, and four for commercial structures to cost \$60,000.

## Hi-And-Run Accident

An auto owned by Owen Hume, 2127a Avenue B, was involved in a hi-and-run accident while it was parked in front of his home. It was reported to the Granite City police at 10:40 a.m. Thursday. The rear tire of the car was damaged.

## Free Press, Nation Could Be Lost

(National Newspaper Week continues of Ralph McGill, editor of the Atlanta Constitution.)

It is written in Proverbs that a word fitly spoken is like apples of gold in pictures of silver. The beauty of that simile, advertising, or newspaper man, whose job it is to use words.

And I am one who believes and I write as a constitutionalist about our business) that all of us, ad men, reporters, publishers, owners, editors—all of us have need of humility before the power that is in the words which we produce.

I never go down to the press room, hearing and feeling the smooth hum of its precision speed, but that I feel humble before it. It is something like holding a sea shell to the ear and hearing in it what a poet has told is the noise that times make as it passes by on its inexorable march.

**Power, Beauty Of Words**

The steady muted roar of the presses makes me the noise that words make—all the written words tapped out on typewriters, caught in the hot lines of type, rushed into the matrices, bolted in metal plates to the drums of the press—all of them speaking once to produce the steady voice of the press as they print, fold, cut and count the pages of our newspapers, saying "I am the power and the beauty of words."

I recall being taken to see an old editor when I was a young boy. He had framed by his desk the familiar old motto: "Lord, give me this day my daily idea, and forgive me the one I had yesterday."

**Rapid Change**

There are days when all of us toiling in the vineyard of words have reason for that motto. So fast do things change, and so often is that which seems so sure today, today demonstrated to be not so sure.

The fact of a free press, and the full meaning of that phrase, I honestly believe, is one chief proof of this free nation. God knows we bear a heavy responsibility.

Truth, if it becomes true, it is true. But I say quite frankly for my own guilt as I say and pointing no accusing finger at anyone—every publisher, every board of directors, every editor and staff need to examine in the meaning of the phrase "Freedom of the Press" and determine if they are using it as a tool of a lie.

**Integrity Essential**

Certainly, a free and responsible press, and a press which has something to say on its editorial pages, is of great value to advertising.

**Retain By Deserving**

And today we will continue to enjoy, and have available, freedom of speech and press only so long as the people recognize that we use it and that we deserve that freedom.

It is important now, I believe, in this time of racial crisis to defend the one great American ideal—that of equality of citizenship. We Americans are a synthesis of many peoples, many races, many languages, and a diversity of religions. It is the ideal, the principle, that makes us Americans. It seems to me highly important that we retain this principle in establishing this principle for all Americans.

# Commonwealth Preparing To Manufacture Industrial Castings

**UPPER LEFT**—Sand slinger in No. 12 building, complete with bins and conveyor. It uses green sand to form basic molds for castings.

**UPPER RIGHT**—With cores inserted in the sand base and the mold covered, castings are formed from molten steel discharged into these pouring pits. Don House of General Steel stands nearby to illustrate the size of the 16-foot-deep pits, top of which are several feet below the original floor level in the main foundry.

**CASTINGS FOR GENERAL INDUSTRIAL USE** formerly produced at its Eddystone, Pa., plant will now be made of General Steel Industries' Commonwealth Division in Granite City. The local plant, which heretofore has been devoted primarily to railroad castings, will be the center of all General Steel foundry operations.

In assuming its new role, Commonwealth has increased its employment by about 400 in the past several months and expects the current level to be maintained. Some of these are being transferred from Eddystone, but most represent new local jobs—helping to bear out the belief that a community obtains most of its new job opportunities through expansion of existing industry rather than through establishment of entirely new plants.

Much of the equipment needed for the new production line is being brought here from Eddystone, and since March the plant has been remodeled and adapted accordingly.

**LEFT**—Quench tank is being built in a new foundry building addition that also houses a battery of heat treating furnaces in the background. Alternate heating and cooling change the inner structure of metal in castings to relieve stress.

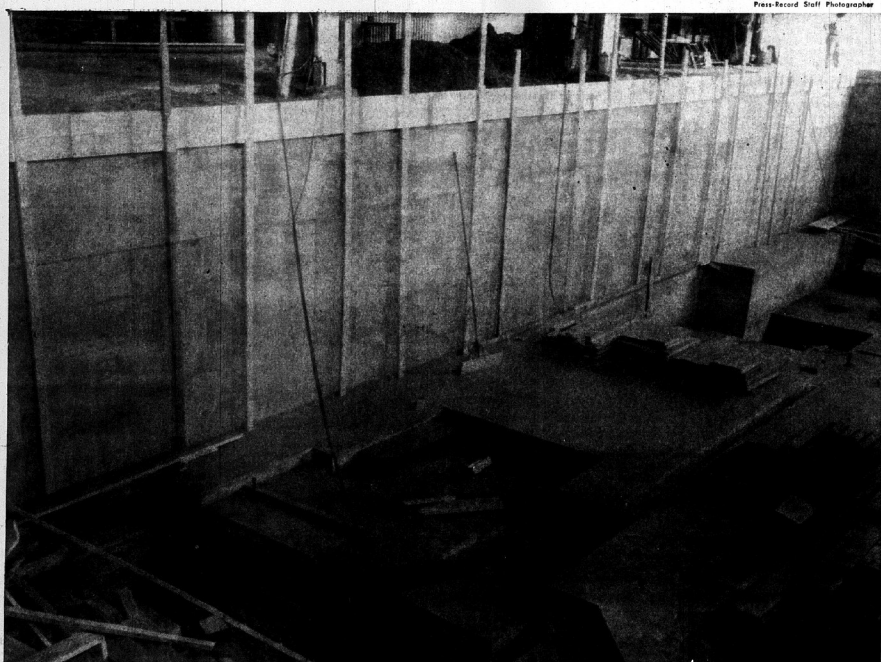

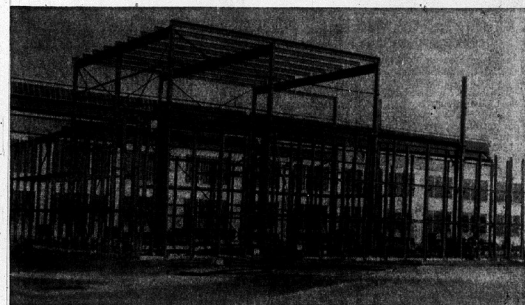

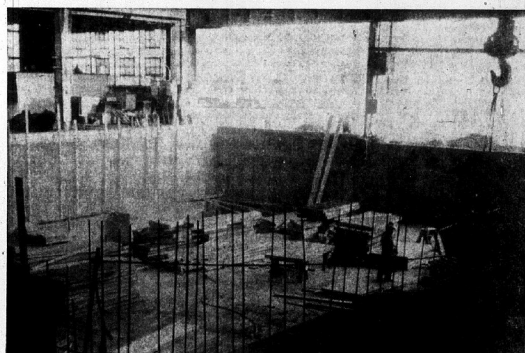

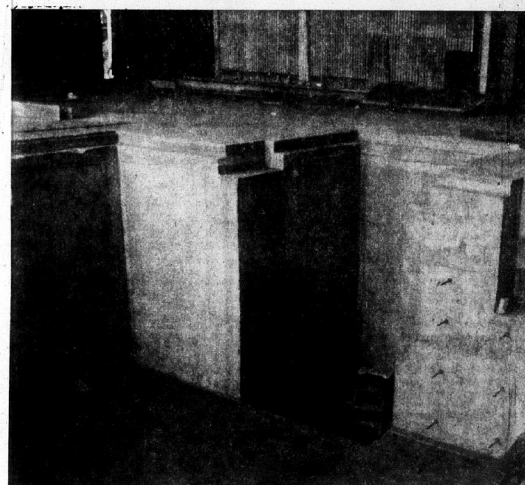

**RIGHT**—Shot blast mechanism, next step in the production process, will be installed in this new pit. Shot blasting removes scale and performs final cleanings of castings.

**LOWER LEFT**—Floor lowering also is taking place in the No. 8 building, where a 28-foot-diameter boring mill from Eddystone will be installed. This view shows points where motors and gears will be placed. Above them will be the mill, whose operating level will be 12 feet below floor level. The circular mill machines industrial castings.

**LOWER RIGHT**—This view of the eastern end of the No. 8 building indicates how it has been revamped to make room for the boring mill. The workman visible in the right side of the excavation indicates its huge size. Metal rods in the foreground will be encased in a concrete side wall.

**BOTTOM RIGHT**—Last but not least in the process is the 24-million-volt betatron to be housed in this new building, steel structure of which is shown. When completed, the building will have double walls, separated by nine feet of sand to prevent passage of beta rays to the outside. The rays detect any interior imperfections, assuring the soundness of all completed castings.

### — 4 BEDROOMS ON CLEVELAND —

4 down and 3 up. No worry about having to make sure no noise is made because daddy is sleeping dandy. 7 bedrooms upstairs. Plastering and woodwork all in excellent condition. Floor attic makes seasonal storage a breeze. Large living and dining room. Cyclone fence encloses the rear yard. Schools hop-skip-jump away. New bathroom. New room? See this.

### — INCOME DUPLEX —

Brick construction. Full basement provides adequate storage and washing facilities. Automatic heating systems are separate. Both apartments are newly decorated. Large fence in rear gives plenty of privacy for outside summer meals. Tremendous opportunity for a young couple to invest \$500 and let someone else make these house payments.

### — ON STATE ST. — 1 BLOCK FROM THE PARK —

Sacred Heart and Nierdingham School Districts. Brick bungalow with fireplace in the living room. 2 bedrooms. Enclosed porch on back paneled into Family Room or can be the third bedroom. Basement is high and dry. Furnace located in one and so that recreation facilities are readily hand. French type doors in front bedroom. Living and dining rooms carpeted. Priced under \$10,000.

### — BRICK BY THE PARK —

A fireplace in the living room will make the cold winter evenings enjoyable. A family room paneled also adds the extra touch of Family Fun. The full basement with the extra PWA heating system set in the corner has plenty of room for recreation and built-in bar. Large kitchen opening in the living room and one bedroom (with French doors). Occupancy can be immediate. \$15,500 is also unbelievable.

### — FOR RENT

The Gitchoff Agency has apartments and two and three bedrooms homes for rent in the Granite City, Madison and Mitchell Areas.

### — WATCH FOR NEW APARTMENTS —

2 bedrooms and built-in kitchens with full storage area and washing facilities. Conveniently located as to transportation and private yard for lounging around in. In the \$75 rental range. Perfect for newbies.

### — 2653 E. 27th ST. BRICK BUNGALOW —

2 bedrooms. Hardwood floors that require no sanding or refinishing. Full basement and gas PWA heat. Plastered interior. Every room shows the results of good housekeeping and well cared for home. Yard is landscaped. Bath is tiled with a shower for quick starts in the morning. Insulated and every window has triple track storm sash.

### — MARYLAND HEIGHTS — BRICK VENEER —

A well landscaped yard in the front with Apple trees in the back (Delicious Variety). Completely private yard with concrete block wall. Matching 1 1/2 car garage that has a screened in Patio provides a choice spot to read the evening paper. Carpeted living room, tiled bath with low boy shower. Plenty of closets. Tiled floors. Extremely low utility bills with the well insulated walls and ceilings. Gas PWA heating system. Trade today or move in with \$500 down payment.

### — COMPLETELY BUILT-IN KITCHEN —

Styled after the colonials these 6 rooms are smartly decorated. Fireplace in the living room. Brick interior walls. Kitchen designed for Mom. Intercom system that plays FM music really gives the kitchen a great atmosphere. Plastered walls. 8 inch insulation in ceilings and blown in insulation in the walls. 1 and 1/2 baths. Brick interior walls. Separate dining room.

### — BRICK RANCH WITH ATTACHED GARAGE —

Drive in garage that gives the main off the main drive. Front of the ranch is shaded by a 4 foot overhead. Large family size kitchen with the built in oven and range. Aluminum windows and privacy glass. Vinyl floor throughout. Trade. 1 and 1/2 baths. Brick interior walls.

### — \$12,950 — \$350 DOWN — BRICK VENEER —

Why rent when you can buy this like new brick on a corner lot. Schools only a hop skip and jump away. Tile bath with shower and Wallies walls. Kitchen size with wall. 7-8 people to enjoy eating Mom's special meals. Plenty of room to romp around in. Aluminum gables and overhang make this house maintenance free.

### SISTERHOOD MEETING

The Sisterhood of Dewey Avenue Methodist Church met Friday for a regular monthly meeting, opened with the group singing of the theme song, "In the Garden." Devotions were given by Mrs. Beulah Sparks and prayer by Mrs. Geneva Coleman.

Mrs. Tennie Webb presided over the business session. The regular building fund dinner will be held at the church at noon Wednesday. Plans were made for a birthday dinner to be celebrated at the next meeting, in November.

The hostesses, Mesdames Katie Alexander, Rose Miller, Julia Hill, Dorothy Westbrook and Mamie Wagoner, served refreshments to the group singing of the theme song, "In the Garden." Devotions were given by Mrs. Beulah Sparks, Alma Davis, Minnie Rowley, Audrey Bonn, Eva Nichols, Fern Scott, Geneva Coleman, Naomi Woods, Alma Burnett and sons, Correll and Steven, Benita and daughter, Mrs. Mabel Hulsey.

### RA'S CHOICE OFFICERS

Harold E. Hurst Crusader, RA's met Saturday at Second Baptist Church for their first meeting of the church year. The group talked over the foreign mission book, "The Big Difference," which will be taught in November. Dave, advancement steps in order to become a leader. As a service project, it was decided to help meet needs of the Baptist Children's Home in Carmi.

Closing prayer was given by the counselor, Richard Miller. Others present were Bruce and David Freeman, Correll, John Wilson, Robert Tolbert, Mike Holloway and a visitor, Richard Wilson.

## New Members Told Of C. Of C. Program, Goals

Goals of the Tri-Cities Chamber of Commerce were outlined by its officers at an orientation meeting for new members Thursday. Thirteen attended.

President Chester L. Barker said the objectives are to expand this community's economy, work for greater understanding of the free enterprise system and seek to make this a better place to live, work and do business. He noted that it is the only group of its type serving this area and told how specific projects are developed.

Vice-President Carl E. Mathias presided as membership chairman and welcomed those joining this year. He related how the most benefits can be derived from Chamber membership, and said each member can participate actively if he so desires.

Treasurer Robert E. Back said the C. of C. is financed solely by from membership dues, which are a minimum of \$50 a year. Of the present members, 81% are single memberships and another 7% dual memberships, indicating that only 9% could be considered large firms. He said special events like the agriculture luncheon, annual meeting and playday are self-sustaining.

Vice-President Hubert A. Huber, described the C. of C. as a "action organization." With 25 committees working to carry out a program of civic progress. He noted that each company casts a single vote in electing directors, regardless of the number of its employees.

SEVERAL HUNDRED PERSONS watched Saturday afternoon as Venice firemen put on a fire fighting demonstration in observance of Fire Prevention Week. The firemen lit and extinguished fires three times, utilizing various techniques, on an old house at Klein and Brown streets—proposed site of the new Venice fire station. The demonstration took about three hours.

Memberships, Manager Marian D. Doherty, and better business bureau activities. A question-and-answer session followed the talks.
